" In a lugubrious and not at all picturesque Rome, an equally black, almost gothic story takes place. Made of unhealthy desires and tragic epilogues, where love is only an episode of passage.

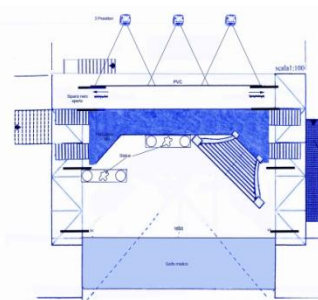

There are those who enjoy the crime, and there are those who use it to defend themselves. In this story, a dark, disloyal and powerful man, for his pleasure, lies, promises, tends to traps and cheats. [...]"

The show went on stage for the first time in 2010
